I wish to thank the association for sending me to the National Baptist Convention. The convention was held in Washington, D.C., September 6-12, 1976. God's Work Is Sufficient For Any Time That We Live — Isaiah 55:1-12

1. Ho, everyone that thirsteth, come ye to waters, and he that hath no money; come ye, buy, and eat; yea come, buy wine and milk without money and without price.
2. Wherefore do ye spend money for that which is not bread? and your labour for that which satisfieth not? Harken diligently unto me, and eat ye that which is good, and let your soul delight itself in fatness.
3. Incline your ear, and come unto me; hear, and your soul shall live; and I will make an everlasting covenant with you, even the sure mercies of David.
4. Behold, I have given him for a witness to the people, a leader and commander the people.

5. Behold, thou shalt call a nation that thou knowest not, and nations that knew not and thee shall run unto thee because of the Lord thy God and for the Holy One of Israel; for He hath glorified thee.

6. Seek the Lord while He may be found, call upon Him while He is near.

7. Let the wicked forsake his way, and the unrighteous man his thoughts and let him return unto the Lord, and He will have mercy upon him; and to our God, for He will abundantly pardon.

8. For My thoughts are not your thoughts, neither are your ways My ways, saith the Lord.

9. For as the heavens are higher than the earth, so are My ways higher than your ways and My thoughts than your thoughts.

10. For as the rain cometh down, and the snow from heaven, and returneth not thither, but watereth the earth, and maketh it bring forth and bud, that it may give seed to the sower, and bread to the eater.

11. So shall My word be that goeth out of mouth: it shall not return unto Me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I send it.

12. For ye shall go out with joy, and be forth with peace: the mountains and the hills shall break forth before you into singing, and all the trees of the field shall clap their hands.

MATTHEW 6:34

Take therefore no thought for the morrow for the morrow shall take thought for the things of itself. Sufficient unto the day is the evil thereof.

ST. MATTHEW 4:4

But He answered and said, It is written, man shall not live by bread alone, but by every word that proceedeth out of the mouth of God.

ISAIAH 22, 23

Look unto me, and be ye saved, all the ends of the earth: for I am God, and there is none else.

I have sworn by myself, the word is gone out of my mouth in righteousness, and shall not return, that unto Me every knee shall bow, every tongue shall swear.

PSALM 119:11, 105

Thy word have I hid in mine heart, that I might not sin against thee.
Thy word is a lamp unto my feet and a light unto my path

JUNE 10, 1977

10:A.M. The High Point Educational and Missionary Baptist Association Usher Board Convention was held with Canaan Baptist Church, Winston-Salem, North Carolina, June 10-11, 1977.

The convention convened with the vice president, Mr. Leak, presiding. Prayer service was opened by Mrs Nash with a reading of scripture and prayer by Mr. William Richardson. We heard remarks from the host usher president, Mrs. McKeenon and host pastor Rev. Brannon.

The theme was presented by Mrs. Fogle titled, "God's Love For His People." God loves all of us. We have to love everybody, without love, we cannot see God. Remarks from Rev. Wilson. God gives us sons or daughters to raise, we don't know why we are raising them for each individual has a long range program, but God just gives us one day at a time.

Music furnished by Morning Star, Burlington, prayer by Rev. Fogle. Rev. Pettiford took his text from John 4:8, God's love is not limited, time is limited. It is easy to talk love but we got to live love. Comments from Rev. Reid. Offering $30.01. Benediction by Rev. Pettiford.

1:00 P.M. Lunch.

2:00 P.M. Devotion led by delegates of Morning Star, Burlington and Mt. Carmel, High Point. The President came forward singing, "I know it was the blood." Mrs. Sallie Thacker presented the theme, "God's Love For People." I Thank God for loving us so much that he died on the cross that we might have life and have it more abundantly. For He said in his Word that He was going to prepare a place for us, and God is no shorter than his promise. Solo by Mrs. Lillian Gant, "His eye is on the sparrow."

2:15 P.M. Appointment of Committees.

2:30 P.M. The Usher's Institute appointed Mrs. Sallie Thacker to handle the auditor's book for the session. Mrs. Lilly brought us the Usher's Institute remarks. In qualifying for usher leadership, prepare yourself for the position before you accept it. Ushers should not make change during the offering. An obedient usher is one who wants to increase their learning. Remarks by Rev. Wilson. The main purpose of going to church is to worship God, not man. PRESIDENT'S ADDRESS

CURRENT APPLICATION TO LIFE

Today's world is really no different than James' world was. We are still plaqued with sin and evil in all respect, and in all places. We have the wicked rich, the unjust rulers and judges, the slick merchants, the lying politicians, and the unmerciful leaders of crime.

These people are still going to and fro throughout the world abusing exploiting, and murdering the innocent, the poor, and the disinherited, causing them undue trouble and suffering.

Now, in such a world as this today, there are still those who dare to follow Jesus Christ and His way of life. These followers of Jesus try in many ways acceptable unto God to combat the causes of sin, evil and unrighteousness.

Their task is not an easy one. It always seem everything is on the side of wrong, but they know that if those who thirst after righteousness will be steadfast, God will give them the victory. Only an enduring faith in the justices and ultimate victory of God in the world gives hope and inspires the righteous to give their all in helping to lead others to Jesus Christ "the way, and the truth, and the Life."

Behold, God is mine helper. The Lord is with them that uphold my soul. He shall reward evil unto mine enemies: Cut them off in thy truth, for he hath delivered me out of all trouble, and mine eye hath seen his desire upon mine enemies. Cast thy burden upon the Lord, and he shall sustain thee: Psalms 54:4, 5, 7, and Psalms 55:22.

Respectfully submitted,
Ernest Holt

Yours in Christ,
Bro. Carnell D. Leak

THE EARLY SUNDAY SCHOOL
DEUTERONOMY 6:4-7

In England, in 1780, Robert Raiks a Publisher of the Gloucester Journal, needed a gardener. So he went to look for one. He was shocked to see the streets filled with dirty, miserable children who were shouting profane language, and made themselves a general nuisance. Whe he inquired of a woman concerning them, she said, "If you think this is bad you ought to see them on Sunday."

Now at that time in England, only one person out of twenty could read or write. The speller thus became the first textbook, then the Bible, from which passages were both memorized and read.

In 1804 the British Foreign Bible Society was formed to provide Bibles at cost for people, not only in England, but other nations as well. Adults wanted to be included in the Bible classes, so for the first time they were invited to attend.

Here in America they too made use of the speller, the hymnbook, and the Bible. The Bible was considered the chief textbook in the school, and children became thoroughly versed in its teaching.

The Sunday School movement which had its beginning in England with Robert Raiks soon came to America and began to be adopted slowly by the churches. There was a tendency at first for ministers to have nothing to do with it, and it was considered something apart from the church. However, its value was eventually recognized, and in the period of 1810-1825 the churches began to take over the Sunday School as part of the regular church program.

Benjamin F. Jacobs and John H. Vincent were responsible for early Sunday School. Vincent began the first Sunday School Institute. Whereever people went, they could find the same lesson studied. In 1906 a Graded Lesson Conference was held, and a definite work was started toward bringing out a graded lesson series. Lessons were soon prepared so that there was a different lesson for each age.

AS DELEGATE TO THE ALL BAPTIST ASSEMBLY

Mr. President, Mr. Moderator, Delegates, Members and Friends of the High Point Educational and Missionary Association, I am very appreciative to you for giving me the privilege of going to the All Baptist Assembly at the Benton Convention Center in Winston-Salem, N.C., August 2-5, 1976.

The Assembly was so dynamic and appealing that I attended almost every meeting for anything. The sermons, the addresses, the information was a memory that I will treasure to the utmost. However, the Sunday School's day was Wednesday afternoon with Mr. J. J. Lassiter presiding over the Sunday School Department and Mr. Jim Bellamy presiding over the B.T.U. department. The theme for the Sunday School and B.T.U. was Christian Freedom and Responsibility Through Teaching, this was delivered by Mr. Lassiter, and Christian Freedom and Responsibility Through Training, this was delivered by Mr. Jim Bellamy Both Addresses were sermons rich with every thing that makes a sermon good.

There were skits and reports during this meeting. There were young people from churches throughout the State of North Carolina, from the Sunday School and B.T.U. departments participating in the program. Highlighting this was an Oratorical contest for a scholarship, this was won by a young man, and believe me he was great.

Christian Education In The Seventies was delivered by Mr. Leo Williams Jr. Who also gave a wonderful address, but the most enthusiastic attraction was the people that the State Convention had named for award for various achievements for past activities, and what was more pleasing than to see our own Dr. Prince Graves walk up and receive an award for his work in the State. This convention should be very proud of Dr. Graves, for he electricfied the convention with his speech.

Our Convention was represented with $25.00 which is the minimum that will be considered for representation, but when you learn the numerous things that the State Assembly does with your Dollar you will agree with me that this amount is too little for 27 churches to send.

Truly I enjoyed every minute of the Assembly and would love to attend again this year when the Assembly will meet in Durham, N.C.

Your Delegate to The All Baptist Assembly,
W. E. Spann

REPORT OF THE VICE PRESIDENT
JUNE 17, 1977

Mr. President, Mr. Moderator, Delegates, Members and Friends of the High Point Educational and Missionary Baptist Association; I W. E. Spann your Vice President would like to make the following report.

REPORT

To me the year of 1976-77 has been one of the best years that the Sunday School Convention has had in a number of years, and I am very grateful to the Lord for allowing me to play a small part in the success that has been experienced by the convention.

To those of you who attended the last annual convention, and also the mid year term can attest to the fact that we had the greatest attendance of all time at each convention, and certainly we need to thank God for his blessings upon our Convention. We took a step forward and ventured to take part in the State Assembly, a role that the convention will never regret, and I was more than delighted to have had the opportunity to represent us at the All Baptist Assembly last year, I do hope that you will continue to participate in this, and also that you will set your sights on other goals.

As Vice President I have tried to work with the President in every way that he wanted me to, and at no time was there any disagreement between us on any thing, when he wanted me to visit a church I went, if he wanted me to accompany him on a mission I did, so we had a lovely time working together, just as we have for the past 16 years and I thank God for such cooperation that exists in our Convention.

I have enjoyed the work and serving as Vice President has given me a broader scope in the knowledge of procedures, and other matters that pertain to rules and order, I served the best I knew and will continue to do so if the convention so desire.

My prayer for you is that the Lord will ever bless you and that your life as a Sunday School Convention will never end.

Submitted by your Vice President,
W. E. Spann

Dear Sir,

My name is Kevin Jerome Jones, I am 17 years old and I attend First Calvary Baptist Church in Winston-Salem. My pastor is Dr. W. L. Wilson. I am the director of the young adult choir and is active member of the Sunday School Department.

I have been accepted as an undergraduate student at Wake Forest University in Winston-Salem. In order for me to attend Wake Forest this fall I need to apply for financial aid because both of my parents are retired and my father is totally disabled. This make it impossible for my parents to meet all the educational costs.

I graduated from East Forsyth Senior High School on June 10, 1977. In school I participated in the French Club. An overall average of my grades would be a high "B".

While attending Wake Forest I plan to major in the field of psychology or perhaps go to medical school and study to be a psychiatrist.

I feel I am qualified for this scholarship and I hope you will give me some consideration as a recipient.

Sincerely yours,
Kevin Jerome Jones

ANNUAL MESSAGE

Brother Moderator, my pastor, Rev. R. H. Brooks, Ministers, Officers, Delegates, and members of the 64th Annual Convention of the Woman's Auxiliary of the High Point Educational and Missionary Baptist Association.

I consider this a great Blessing as well as a privilege to come before you tonight to deliver another Annual Message. First of all I would like to say I thank God for the many blessings He has bestored upon me. I can say that I have had my share of ups and downs but with His divine guidance He has kept and guided me through another year. My sincere appreciation goes out tonight to my vice president, Sister Mamie Wilson and Sister Irene Scales, for their assistance and prayers. To the other members of the executive board it is hard to find words to express how your devoted services have aided in making this one of the greatest auxiliaries in the state. To Rev. W. L. Wilson, our Moderator, I would like to say in behalf of the Woman's Auxiliary, we are deeply greatful to you for your words of wisdom and guidance that you have given this organization. To the ministers and each church, I would like to personally thank you for the cooperation and support you have given me during the year. I ask your continued support throughout the years to come because we must strive to reach higher heights in this organization and with out you this will be impossible.

Tonight I would like to share with you some further thoughts on our theme: "What The World Need Now." We have already heard some wonderful thoughts on "Love" and "Faith," and tomorrow I know it will be well rounded up with "Grace". Therefore, I am going to center my thoughts around:

"WHAT THE WORLD NEED NOW"
— A GREAT AWAKENING —

We are living in a time when seemingly man have replaced love with hate, faith with doubt and grace with the lust of the world. We are asleep. We are not aware of what is about to happen to us and the world in which we live. We have pushed aside the one person that have blessed us with life, health, knowledge and replaced Him with evil, destruction and material wealth. These things seem to come first and farmost in our lives today. I say to you tonight that we need a great awakening.

We must realize that Christ is the only way and that He should be the center of our lives. It is our responsibility to make this become a reality. We must let our lights so shine that others might see our good work and want to pattern after us. Through-out the history of the world man have been setting examples for other to follow. They have had good experiences as well as bad ones. They have been asleep but found ways to be awaken in order to meet their needs.

If we would take time to go back through history we would find that each generation of people are accreted for some type of awakening. The first people that is beleived to exist on earth was the prehistoric man. They were given the name because their existance came before man learned how to write. Although they could not write they felt a need to know how to

communicate with one another. Therefore, they achieved this task by drawing signs and symbols on the walls of their caves. This need still exist today. We must know how to communicate with one another or the world world be destroyed.

During the period 1000-500 B.C. the people in the Western world awakened to the fact that they needed to learn in order to survive. The people of Greece is given credit for beginning the light of learning. They organized the first form of government which was a democracy. They established trade rules to connect one country with another. They developed a form of religion where by man worshiped many Gods. They established social classes and a form of education. As different countries continued to compete with each other for material wealth all that had been achieved was destroyed by war.

The next period in History was called the Middle Ages. This period is considered to be one of the most important periods because man turned from the craving of material wealth to religious ideals. In the Western world the institution that gave direction and meaning to the lives of the people was the great Roman Catholic Church. This mighty organization touched the lives of men at almost every walk of life. It was during this time that men went on crusades spreading the ideas of christianity all over the world. After awakening to the fact that christ's way is the only way, man begin to make progress again.

As we reach the fourteenth and fifteenth centuries, or the beginning of Modern times, man began to show more and more curiosity about their world. They made longer voyages. They asked more questions about the nature of things. They thought more freely about the world around them. They began to make changes in their religion and in their forms of government. Slowly they changed the world from old ways into the direction of our modern world.

It was during this period in history that Columbus set sail and discovered the continent of North America. Religious percussion was one of the major reasons that led to the discovery of this great country.

Since its discovery in 1492 men of all descriptions have been living here in a daze. The country grew at such a fast rate that it was almost difficult to keep up with its progress. Land and wealth was discovered from ocean to ocean. Homes and industries grew up from ocean fronts to mountain sides. The greatest net work of highways and railroads covered the country side like a weed. A democratic form of government was established to insure each person of life, liberty and the persuit of happiness. This country stand today as the wealthiest country in the world and one with many faults. It is my belief that this is due to the fact that we have lived in a daze for these many years. We have pushed aside the one that blessed us with the many blessings that we now enjoy.

Realizing that we have tried to awaken man many times through-out the history of this country but as of today we have not succeeded. With a democratic form of government we had to suffer the war between the states to awaken man of the fact that system of slavery would not stand. We had to have riots, sit-inns, burnings and killings to let man know that social injustice would no longer be tolerated. We had to be a witness to the assassination of outstanding black and white leaders before we realized that corruption still existed in the heart of man. We had to hear the great episode of watergate before we realized that our government was not functioning on its basic principles. We took prayer out of our public schools and opened the door to drugs and the like of self-respect-we have tried many things to try and solve our problems - violence and non-violence - law and justice - war and atomic power but with the tremendous amount of knowledge we have, we have failed to try God.

Therefore, tonight in my 13th Annual Message to this Convention I challenge you to do as the people of the Middle Ages did - wake up and let Christ be the center of your life - bring Him in your homes and let Him solve your problems. Put Him back in your schools so that your children can acquire a holesome education and above all keep Him first and far most in your Churches so that the light of the world will not go out.

As you go on your daily task, just Remember:

John: 15-12, "This is my Commandment, that ye love one another, as I have loved you."

Matthew:17-21, And Jesus said unto them, because of your unbelief; for verily I say unto you, if ye have faith as a grain of mustard seed, ye shall say unto this mountain, remove hence to yonder place: and it shall remove and nothing shall be impossible unto you.

2 Cor. 12-9, And He said unto me, my grace is sufficient for thee; for my strength is made perfect in weakness-

Many presidents conclude their Annual Message with a thought for living, some close with recommendations to the body and some closes with a statement of resignation. Of the three I have chosen neither. I would like to close this Annual Address with a tribute to two ladies of this convention that have been an inspiration to my life. I believe that you should give a person flowers while they live. I would like for Mrs. Laura Fuller and Mrs. Naomi Johnson to please come forward.

I would like for you to know tonight that you have been and inspiration to my life. You have always treaded me with the greatest respect, you have always had words of encouragement to offer when things were down and you have always extended a glad hand shake of fellowship and love. This have have had a great influence on my life and I wanted you to know this so that you would not think that your many years of service have not been in vain.

Respectfully submitted,
Mrs. Evelyn Anderson

JUNIOR PRESIDENT'S ADDRESS

President Anderson, Jr. Directress, Mrs. Lewis; Brother Moderator, other Ministers, Officers, Delegates, Members and Friends of the Women's Auxiliary and Junior Missionary Department of the High Point Educational and Missionary Association: As I stand before you this afternoon for my second time to attempt to deliver an address, I would like to thank all of you who has made this event possible for me. I greet you in the name of our Lord and Saviour Jesus Christ from whom all blessing flow. Today I would like to speak to you from the subject "Sharing Good News," for my scripture lesson Romans 1:16 says, "For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth; to the Jew first, and also to the Greek."

Everyone like to share good news, young, junior and elderly people alike all like to share good news, whenever you recieve a gift or take a trip we all want to tell some body about it, but this afternoon the good news that I would like to share with you is the news of the gospel of Jesus Christ.

Young people, as you travel about in your daily walk of life, I know that you are encircled with the pleasures the world has to offer you, there are all sorts of temptations set before you, drugs, marijuana, uppers and downes, fast cars and many other things that the world is sharing the news about, but as Christians, we are to be witness of Christ, Acts 1:8 says, "But ye shall receive power after that the Holy Ghost come upon you: And ye shall be witnesses unto me." It is therefore young people, the responsibility of Christians to carry out the love mission of Jesus.

We are to be the salt of the earth and the light of the world. We are not the wrecking crew but the construction team of good will. We are not lawmakers but love makers, the world is looking to the Christians today for moral integrity. (Colossians 3:1-4, 9-17) tells us to set their affection on things above not on things on the earth. For ye are dead and your life is hid with Christ in God. When Christ who is our life, shall appear, then shall ye also appear with Him in glory. For which things' sake the wrath of God cometh on the children of disobedience. Ye have put off the old man with his deeds, and put on the new man, which is renewed in knowledge after the image of Him that created Him; Put on therefore as the elect of God, holy and beloved, bowels of mercies, kindness, humbleness of mind, meekness, long-suffering: For beating one another and forgiving one another, if any man have a quarrel against any: even as Christ forgave you, so also do ye. And above all these things put on charity, which is the bond of perfectness. and let the peace of God rule in your hearts to which also ye are called in one body; And be ye thankful. Let the word of Christ dwell in you richly in all wisdom; teaching admonishing one another in Psalms, and hymns and spiritual songs, singing with grace in hearts to the Lord. And what - so ever ye do in word or deed, do all in the name of the Lord Jesus, giving thanks to God and the Father by Him."

Missionaries can never emphasize the importance of witnessing for Christ. The life that you live tells the best story not only are you the witness about Christ in your church but in your homes, your schools, your communities, your jobs and your ever endeavoring. Remember young people where ever you go people are always watching you and are aware of what you are doing, so in my conclusion I would like to leave this poem with you and remember our sub topic - "Ye Shall Be Witness Unto Me."

"We are building every day.
In a good or evil way
And the structure as it grows
With our inmost soul disclose
Till in every arch and line
And our faults and failures shine
It may grow a castle grand,
Or a wreck upon the Sand."

"Do you ask what building this
That can show both pain and bliss
That can be both dark and fair?
Lo, its name is charter,
Build it well, what e're you do;
Build it straight and strong and true;
Build it clean and high and broad;
Build it for the eye of God."

Respectfully,
Junior President, Mrs. Blondell Hardin
